

The fifth annual Diaper Day community-wide collection was Monday at Glover Park in Marietta. Businesses and organizations from all over the county brought in thousands of diapers from their own collecting, and volunteers from the Junior League of Cobb-Marietta were on hand to help unload, organize and count the donations. **Left:** Cobb Commissioner JoAnn Birrell brings in the diapers collected on behalf of Cobb Government employees to Junior League member Katie Waters.

Dozens and dozens and dozens of ... **DIAPERS!**
